

EMS SYSTEM ADVISORY #2016- 06/09

TO: Riverside County EMS System
FROM: Bruce Barton, Director 
SUBJECT: Kaiser Moreno Valley Medical Center - Traffic Arms
DATE: June 9, 2016

Beginning on June 9, 2016 the traffic arms located at Kaiser Moreno Valley Medical Center will be operational. The traffic arms are designed to prevent private autos from entering the ambulance bay. This will ensure safety for all pre-hospital providers and patients. Please note that the traffic arms are activated by the weight of the ambulance.

For any issues or concerns, please contact the REMSA Duty Officer at 951-712-3342.
