RE: New EMT Certification and Recertification Policies

DATE: 24 June 2010

Attached are the new policies explaining the procedures and responsibilities of/for EMT Certification and Recertification. These policies are based on the latest (June 17, 2010) update of Title 22 regulations released through EMSA's Project 2010.

EMT Certification by Challenge and our new processes for Certificate Review will be available the first week of July.

Please contact me if you have any questions or concerns.
