RE: Southwest Healthcare System's consolidation of Women's Healthcare Services

DATE: December 13, 2011

Beginning Friday, December 16, 2011 at 7:00 AM, Southwest Healthcare System will consolidate all of their Women's Healthcare Services at Rancho Springs Medical Center in Murrieta. If you are transporting a woman in labor in this area, please keep in mind that Inland Valley Medical Center will no longer have a Labor and Delivery Department or a post-partum department. Inland Valley Medical Center will continue to accept pregnant trauma patients. All hospital Emergency Departments have the ability to handle an imminent delivery, including Inland Valley Medical Center
