FROM: Bruce Barton, Riverside County EMS Agency Director *BB*

SUBJECT: Inland Valley Medical Center - Level II Trauma Center Designation

DATE: September 26, 2013

The Riverside County Emergency Medical Services Agency (REMSA) is pleased to announce that Inland Valley Medical Center (IVMC) has completed all of the requirements to be designated as a Level II Trauma Center. This designation will become effective, October 1, 2013, at 0700. Please ensure that all required personnel are informed of this designation. This designation now allows for neuro-trauma patients originating in the southwest part of Riverside County to be transported directly to the IVMC.

Please join us in congratulating Inland Valley Medical Center as a Level II Trauma Center. This represents a significant amount of work by Maureen Bowlin, RN and Tito Gorski, MD as well as the entire trauma and administrative teams at IVMC.
