SUBJECT: REMSA Designation of Stroke Centers in San Bernardino County

DATE: August 15, 2016

---

Beginning on August 15, 2016, REMSA is pleased to announce that Arrowhead Regional Medical Center, Kaiser Permanente Ontario, and Redlands Community Hospital have been designated as Primary Stroke Centers for Riverside County. These hospitals are already designated Primary Stroke Centers by ICEMA in San Bernardino County. Patients who meet stroke triage criteria may be directed by Riverside County Base Hospitals to these facilities for specialty Stroke care as appropriate and based on transport time.
