## EMS SYSTEM ADVISORY #2021-03/23

**TO:** Riverside County EMS System

**FROM:** Reza Vaezazizi MD, Medical Director  
Trevor Douville, EMS Administrator

**SUBJECT:** Designation of Temecula Valley Hospital as a Comprehensive Stroke Center

**DATE:** March 23, 2021

---

Beginning on March 23, 2021, REMSA is pleased to announce Temecula Valley Hospital (TVH) has been designated by the EMS Agency as Comprehensive Stroke Center.

Designation of this level will not change the field triage, treatment and destination of Stroke patients. Per Title 22, Division 9, Chapter 7.2 Stroke Critical Care, TVH may advertise as a Comprehensive Stroke Center.

Please join us in congratulating Temecula Valley Hospital on this great achievement. We are grateful to this institution and their stroke team for their continued dedication to excellent patient care as part of Riverside County Stroke critical care system.
