<tr>
<td>Action Items</td>
<td></td>
<td></td>
</tr>
<tr>
<td>CORE Measures</td>
<td>To refine the CORE Measures, a request for feedback will be sent out on October 1st. It will require agencies to provide denominators for quarter 1 data from January to March, which also includes a comment section specifically for ImageTrend. October 31st is the final date to submit. Lisa will compile the data and analyze them before presenting them at the next CQILT meeting on December 20th. Hospitals will continue to submit CARES data as their requirement.</td>
<td>Submission due date: October 31, 2018.</td>

| Fall Update                                     | Fall update and training started in September and will run through December. Focus of the update process is to bring the system up to the standard of care. Fall updates includes: Treatment protocols effective October 1st  
• Transport of ROSC and STEMI patients | Fall protocol updates effective October 1, 2018.                                                                                              |
<table>
<thead>
<tr>
<th>Preview</th>
<th>Preview discussion on what to anticipate for the coming years. A new quarterly training platform that will also entail concrete policy changes in first and third quarter. Consensus from the group that more training will lead to more knowledge attrition and aid in improving existing metrics.</th>
</tr>
</thead>
</table>
| Spring 2019 Updates | 2018 proposed protocol updates:  
- EMT certificate changes  
- Paramedic accreditation/reverification  
- Push does epinephrine  
- Ketamine addition to LSOP  
- Discontinue resuscitation criteria  
- Cardiac Arrest  
- Excited delirium  
- Patient complaint – ALOC  
- (Possibly) In custody patient transport  
Draft policies for review will be presented to PMAC at their next meeting on October 22nd. Comment period will be open for stakeholders until December, then allowing time for training before policies go into effect on April 1, 2019.  
Discussion on the need for more simulative CPR training and interagency training. |
| 7. Roundtable | Data submission reminder  
BLS group with Mission Ambulance  
RUHS Conference flyer available  
**Next CQILT meeting is on December 20, 2018.**  
Calendar invites will be sent out for the 2019 calendar year. |
